## About me

09/02/2000

Veneto - Italy

Passionate about coding, always learning, and driven by the challenge of solving complex problems. I aim to build impactful projects that push boundaries and leave a mark.

# Matteo Beu

Full-Stack Developer

## Work Experience

2024 - NOW | INDIPENDENT

### Full-Stack Developer

I manage my work independently, handling all aspects of software development through personal projects that allow me to create innovative solutions.

2022 - 2024 | AWOM

### Web Developer

Managing projects independently, overseeing the full software development process. Focused on creating innovative solutions through personal and client-based projects.

2021 - 2022

### Factory Worker

Worked while self-studying to pursue a career in software development, laying the foundation for my transition into the tech industry.
